# Fun facts about the game

- Deal or No Deal game is most know as a popular American TV show.
- However, the Dutch were the originators of the show.
- Since then, most countries has also aired their versions of the game: for example in France it was called "À prendre ou à laisser"

- Even Meghan Markle (the wife of prince Harry) has starred in this TV show
- In US so far only 2 contestants have won 1 million dollars
